FOREWORD.

The following pages, containing the names and addresses of all living members of Alpha Chi Rho, have been compiled from all of the various sources open to investigation. The lists have been subjected to several revisions since they were first drawn up by the committee, and are as nearly correct as it was possible to make them from the data at hand.

We submit this little book to you, trusting that it will be of use to the Brotherhood and fill a much felt need in the chapters.

The Committee,

ALFRED H. WAGG, Ch.
